# Motivation

We own our sincere gratitude to all those people who have given us their constant support and encouragement without which our project report would not have reached this stage.

We would like to express our thanks to Prof. deepika sonawane for her advice and encouragement. She has been a pillar of strength right through the project till the preparation of this report and helped by boosting morale, so we could surmount the difficulties that came across during completion of this project.

We would like to express our gratitude to Ex principle Dr.A.P.Rajput , Mrs Dr A. D. Nandurkar Principal , K. K. Wagh Arts, commerce, science and Computer Science College and Prof.Vijayshri Bava, Head of Computer Application department for the support and the infrastructure they have provided, so that we could successfully complete the project on time.

Last but not the least, we would like to express our sincere thanks to all staff members and our friends for their help and cooperation in all phases of the project.

# Problem Statement

The Existing System which we using in Now A days is required to much hardwork, to much time .

And Its Very difficult to apply for a Documents Like Cast , Nationality, Income Certificates, Validity .

And Today this things are plays An Imporant Roll in Our society So We Developed these A New System.

## **Purpose / Objective and Goals**

We Developed New System .In which A Person Can Apply For Cast , Nationality , Income. Etc Certificates At Home Without Go Anywhere And He/She Can Also Make Payment In Online Way.

This can Helpful For user and also helpful for people who want A Governments Cast Related Certificates.

Advantages of proposed system:

- 1)No Need To Go At Agent Office(E-Setu Kendra).
- 2)Online payment Method Is Also Available
- 4) service will be provided as early as possible.

# Literature Survey

If Anyone Want To Apply A Governments Cast related Certificates Like Cast , Income...etc.

Then he/she Need to Go E-Setu Kendra And Then Perform The Task

- To Solve this Problem we developed This System

- To Avoid Wastage Of Time .

## Existing Systems

- The Existing System Of Governments Certificates is ,Everyone Must Go at E-setu Kendra to get Information About Certificates Related Required Documents. And How To Apply And Many More Things.
- This often requires a lot of time and effort.
- A customer may not get the desired information from these Agents and often the customer may be misguided.
- The Existing System Consume Much Time To get information About the Government Cast Documents And to keep secure we need to maintain database.

## Scope and Limitations of Existing Systems

Today's world is a computer world and growing fast. So it is necessary to make every section computerized. In today's competitive market, it is necessary to get information quickly within time.

We can have fast processing work with computerization. All the information related to system is acquired within a few minutes. The computer has big benefit over the manual system.

Problem face by existing system is, it consumes more time. To overcome this the proposed system is :

- ❖ Less time consuming.
- ❖ A record will be maintain properly
- ❖ service will be provided as early as possible.

# **Project Perspective, Features, Stakeholders:-**

## **Project Perspective:**

- 1) The Existing System is Offline And Very Complicated And Wastage Of Time This has leads to inconsistency and inaccuracy in maintaing Deta.
- 2)The Computerizes Of Govermentas Documents System Will Reduce Wastage of time
- 3)Its Very Easy To apply for A Documents In online mode.

## **Features:**

- 1)Easy To apply for Certificates.
- 2)At Home We Apply for The Documents.
- 4)Low Charges.
- 5)100% Sequire

## **Stakeholders:**

The Stakeholder Of E-Documents System Are:

- System Staff
- System Administrator
- System User
- Project Developer
- Project Managers

## **Requirement Analysis:**

### **Functional requirements:**

1)System Will Provide “User Login” Functionality

2)user Can Able to See:

- Available to see The Process Of How To apply for Documents.

- Apply for Documents At Home After Login

- For Contact More Information You Can See Our Privacy Policy Or Direct At the Given Email Or Phone Number.

### **Performance requirements:**

1)After Login One can Apply For Documentas multiple time.

2)Each Customer Has Unique ID and Password By Using this Id and Password Customer Can Apply.

### **Security requirements :**

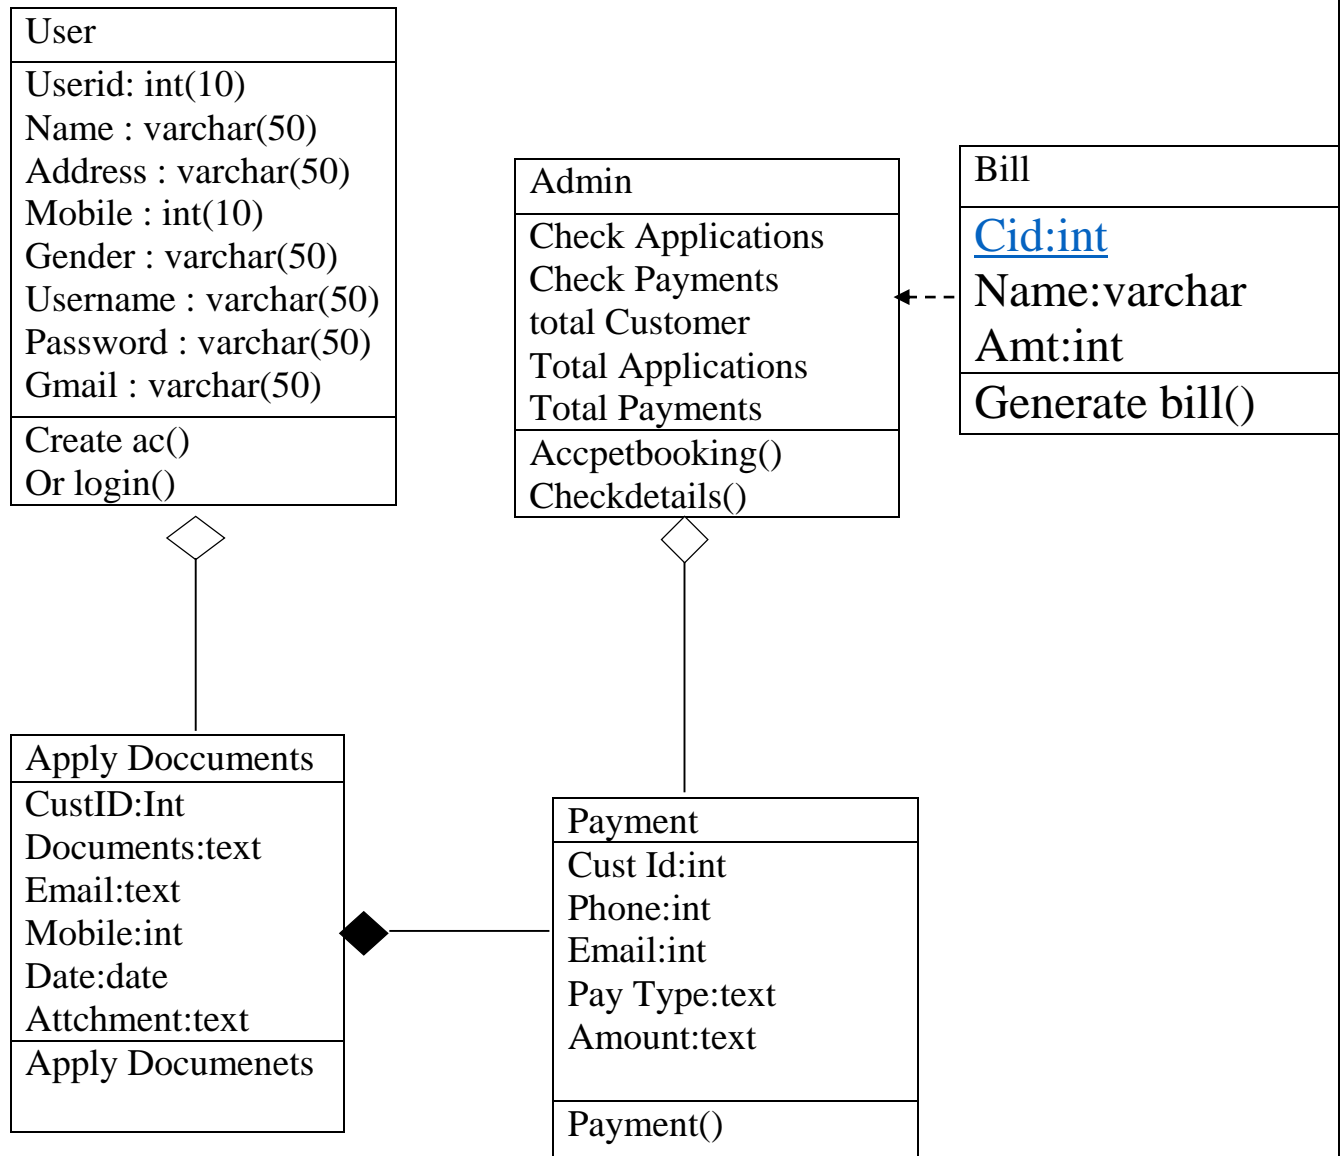

1)The Property selling And Buying System is 100% secure.

2)Without Entering Id And Password customer Cant Apply .He/she Just See The Site

3)So, Customer Need To Resister First So That All Information Come to the system Administrator And Id And Password is Created After Varification .So the Security Provided by the System.
